**CRANBERRY 100%** Cranberry or American Cranberry is a small shrub originating from North America, belonging to the Ericaceae family. Its fruits are used, which are rich in phenolic acids, such as caffeic, fumaric, benzoic acid, and flavonoids, including quercetin, cyanidin, anthocyanin, proanthocyanidin and flavonols. The use of this plant in the prevention and treatment of urinary tract infections has been documented since the 17th century. It is used to treat and prevent episodes of cystitis and urinary tract inflammations that often manifest themselves with a burning sensation and a stimulus to urinate frequently.

**CRANBERRY 100%** is recommended in the following cases:

- Urinary tract infections
- Cystitis
- Prevention of urinary tract diseases
- Drainage of body fluids

**SUGGESTED DOSE:** 2-3 tablets a day far from meals.
