

Hawthorn 100%

TABLETS

Highly purified extract, titrated and standardised of Hawthorn.

REGULAR BLOOD PRESSURE

INGREDIENTS: cellulose, Hawthorn (*Crataegus oxyacantha*) dry extract titrated at 1.5 in vitexin 2-ramnoside, calcium phosphate, magnesium stearate, silicon dioxide.

Hawthorn (botanical name: *Crataegus oxyacantha*) belongs to the family Rosaceae. Its leaves and flowers are used in medicine because of the presence of flavonoids (Vitexin, Hyperoside, Proanthocyanidins and Epicatechin, Amines, Triterpenes, Crategolic acid). Used in popular medicine as sedative for the Central nervous system, Hawthorn represents the most indicated remedy for the prevention and the treatment of:

- cardiac insufficiency, I and II level of NYHA (New York Heart Association)
- complementary treatment of angina pectoris
- cardiopathies linked to aging that do not need to be treated with digoxin
- low and medium hypertension
- cardiovascular hypertonic illness

SUGGESTED DOSE: 3 tablets a day. Each tablet of **HAWTHORN 100%** contains 200mg of Hawthorn dry extract titrated at 1.5 in vitexin.

Product notified to the Italian Ministry of Public Health
